

IMPERIAL BATHROOMS

Welcome to Imperial Bathrooms

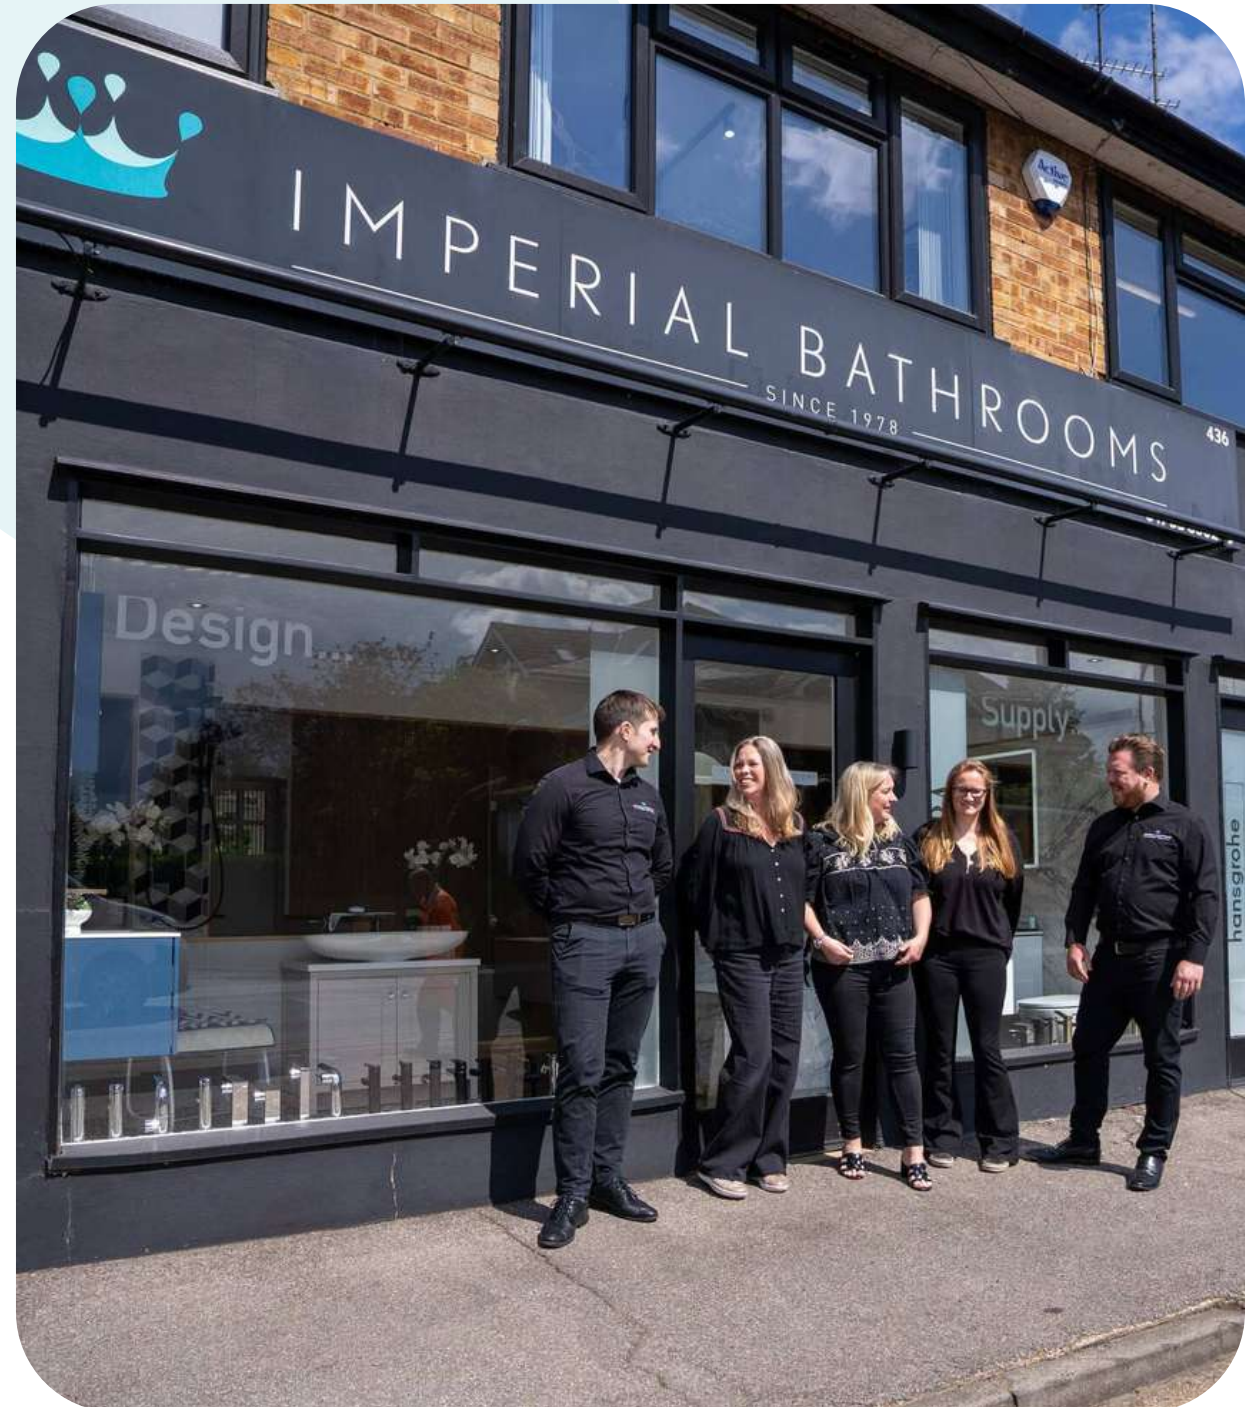

From Our Team To You...

Designing a new bathroom is an exciting opportunity to transform how you use and enjoy your home.

At Imperial Bathrooms, we take a thoughtful, personal approach to every project, creating spaces that are not only beautifully designed, but tailored to the way you live. From the first conversation through to the finishing touches, our team is here to guide you with care, creativity, and attention to detail.

This brochure is designed to inspire you and give a glimpse into what's possible. When you're ready, we look forward to helping you bring your ideas to life.

Designed Around You Since 1978

Family-Run Bathroom Specialists

We've been designing, supplying, and installing bathrooms for over 45 years. During that time, our focus has always remained the same, quality products, honest advice, and good service.

As a proudly independent, family-run business, we take a personal approach to every project. There's no one-size-fits-all solution, which is why every bathroom is designed around the customer and the way they use their space.

We work with carefully selected brands and products, combining practical design, lasting quality, and attention to detail to create bathrooms that stand the test of time.

What Do We Offer?

Design, Supply & Installation

We offer a tailored service for everything from compact cloakroom updates to full bathroom renovations, designed around your home, style and requirements.

From contemporary spaces with clean lines and modern finishes to more traditional bathroom designs with timeless character, we create bathrooms that are practical and beautifully considered. Our experienced team can help with everything from sourcing individual products to managing complete bathroom projects from design through to installation.

We work across all types of spaces, including family bathrooms, ensuite bathrooms and cloakrooms.

Our Partners

Trusted Brands with Lasting Quality.

At Imperial Bathrooms, we work with some of the industry's most respected British and European bathroom brands, chosen for their quality, reliability, and design. From contemporary statement pieces to timeless classics, our carefully selected collections offer something for every style of home.

Every product we supply is selected with the same approach we've had for over 45 years; we only recommend products we'd be happy to have in our own homes. With thousands of products available, our experienced team is always on hand to help you find the right combination.

Complete Bathroom Services

Managing Every Detail From Concept To Completion

At Imperial Bathrooms, we provide a complete bathroom service, managing everything from the initial design through to installation and final finishes. Working in partnership with some of the industry's leading British and European brands allows us to deliver bathrooms that combine quality, style, and long-lasting performance.

Our experienced team will guide you through every stage of the project, helping you choose the right products, layouts, and finishes to suit your home and lifestyle.

Some Of The Benefits Of Choosing Us

Unlimited Product Choice

Access to an extensive range of carefully selected British and European bathroom brands, styles, finishes, and solutions.

Experienced Family Business

Since 1978, our experienced design team has been creating bathrooms that combine practicality, style, and honest, personal service.

Advanced Bathroom Visualisation

See your bathroom brought to life with advanced 3D and VR design, giving you complete confidence in every layout, finish, and detail before installation begins.

Flexible Finance Options

Our flexible finance options, including 0% finance and Buy Now, Pay Later, are available on bathroom products to help make your ideal bathroom more achievable.

Our Project Portfolio

Showcase Of Considered Design

Every bathroom we create is designed around the client's individual needs and the character of the home it sits in. From layout and product selection through to finishes and finer details, every element is carefully considered to create a space that feels practical, timeless, and beautifully resolved.

Whether contemporary or more traditional in style, our bathrooms are designed to complement the home's broader aesthetic, creating a natural sense of flow and consistency throughout the space.

Spa Bathroom With A Touch Of Nature

Overview

Exposed timber beams and a rooflight bring warmth and character to this retreat-style bathroom. Dark vertical tiles frame the bath and panel, contrasting against softer surrounding tiles for a defined, architectural finish. A built-in shelf with integrated LED lighting adds practical storage, while a hinged glass screen and chrome brassware complete the look cleanly.

Key Features

- Dark vertical tile feature
- Built-in illuminated shelf
- Exposed timber beams and rooflight

Tropical Cloakroom With Gloss Green Tiles

Overview

Gloss green tiles wrap this compact cloakroom in rich colour, with a vertical layout adding height and the reflective finish bringing depth to the walls. A white hexagon mosaic floor contrasts cleanly against the green, while black brassware and fittings sharpen the scheme. A slim black vanity frame keeps the space open, with a round illuminated mirror above completing the look.

Key Features

- Rich gloss green tiling
- White hexagon mosaic floor
- Open black vanity frame
- Black fittings throughout

Soft Neutral Ensuite With Illuminated Mirror

Overview

A soft neutral palette makes the most of this narrow, angled ensuite. Large stone-effect wall tiles create a calm backdrop, while wood-effect floor tiles add warmth underfoot. A wall-mounted basin with exposed chrome frame keeps the space feeling open, topped by a large illuminated oval mirror. A walk-in shower sits neatly beneath the sloped ceiling, with a built-in niche providing handy storage.

Key Features

- Stone-effect wall tiling
- Large illuminated oval mirror
- Wall-mounted basin with chrome frame

Shower Room with Rich Forest Green

Overview

Positioned directly behind the double vanity, a full-length walk-through shower room becomes the defining feature of this space. A continuous run of rich forest green tiles draws the eye through the room, creating depth and a strong sense of flow. The long built-in compartment with integrated LED lighting adds practical storage, while neutral tiles balance the bold feature wall for a modern finish.

Key Features

- Full-length walk-through shower room
- Forest green tiles
- Double vanity

Botanical Shower Room With A Green Vanity

Overview

Bold botanical foliage tiles fill the shower enclosure, greens, dusty pinks and white florals across a large hexagon format, framed by brushed brass-edged glass. A deep forest green vanity with reeded drawers and brass handles sits beneath a tall backlit mirror on a calm grey tiled wall. Wood-effect flooring and a brass flush plate complete a room that balances pattern and restraint in equal measure.

Key Features

- Forest green vanity unit
- LED-lit recessed niches
- Botanical foliage hexagon tiles
- Brushed brass shower

Dark & Moody Bathroom With Black Bath

Overview

Deep black gloss tiles and a vintage floral wallpaper in terracotta and dusky pink set the tone for this bold, immersive room. A freestanding black bath takes centre stage with a floor-mounted brushed brass filler and LED-lit niche behind. A fluted wood veneer vanity and round illuminated mirror complete the scheme, with brushed brass carried consistently throughout and warm wood-effect flooring grounding it all.

Key Features

- Freestanding black bath
- Vintage floral wallpaper
- Black gloss wall tiles
- Fluted wood veneer vanity

Modern Bathroom with Soft Grey Tones

Overview

This contemporary bathroom features a clean, understated design, with chrome wall-mounted brassware keeping the space uncluttered and minimal. An oval countertop basin softens the look against the darker vanity unit, while marble wall tiles add a subtle layer of texture. Smoked glass wall lights introduce warmth, balancing the cooler tones and completing the overall scheme.

Key Features

- Chrome brassware
- Oval countertop basin
- Smoked glass wall lights
- Freestanding bath

Shower Room with Rich Forest Green

Overview

Patterned hexagon tiles bring texture and character to this calm, neutral bathroom. Slim vertical tiles on the bath panel offer subtle contrast, with low-level lighting beneath adding definition. A hinged glass screen makes the bath a practical shower space, while a handleless taupe vanity unit and large illuminated mirror complete the look. Chrome brassware keep the finish clean throughout.

Key Features

- Patterned hexagon wall tiles
- Handleless taupe vanity unit
- Chrome towel radiator and brassware

Modern Bathroom Moroccan Star Tiles

Overview

Moroccan star tiles bring bold pattern and character to this clean, contemporary layout. White wall tiles keep the look fresh and simple, while matte black brassware introduces a modern contrast. A walk-in shower with a glass screen helps maintain an open feel, complemented by a wall-hung vanity unit in a soft sage green tone for subtle colour and storage.

Key Features

- Moroccan geometric star feature tiles
- Matte black rainfall shower
- Sage green vanity unit

Traditional Coastal Style Bathroom

Overview

Subtle pattern and clean practicality define this contemporary bathroom. White metro tiles create a simple backdrop, while grey and white Victorian-style patterned floor tiles introduce contrast and visual interest. A walk-in shower with a glass screen keeps the space open, complemented by chrome brassware and a muted blue bespoke vanity unit and toilet for a streamlined finish.

Key Features

- Grey and white Victorian-style patterned floor tiles
- Blue bespoke vanity unit
- Chrome brassware

Contemporary Bathroom with Stone Tiles

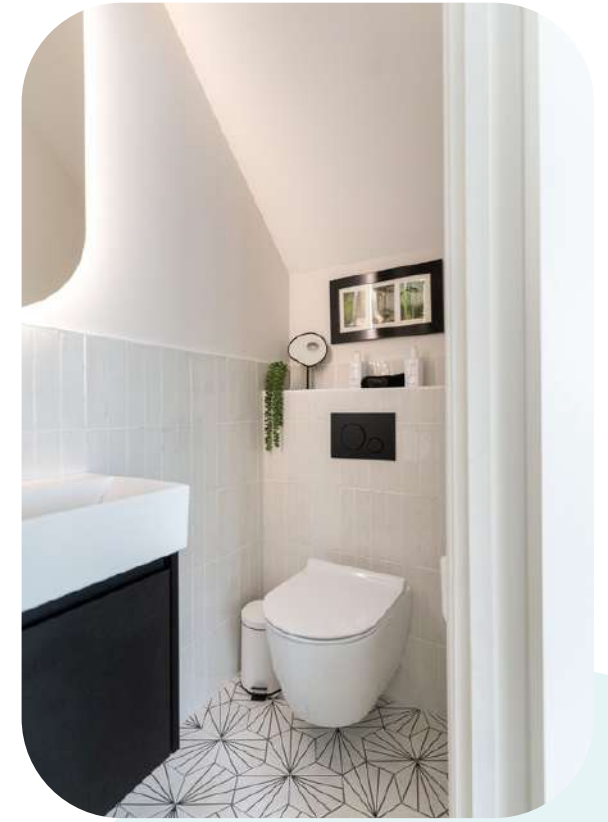

Overview

A simple, well-balanced layout defines this contemporary bathroom, with warm neutral stone tiles creating a soft and inviting feel. A walk-in shower with a glass enclosure keeps the space open, while a wall-hung toilet and classic vanity unit maintain a clean, uncluttered look. Subtle texture within the tiles adds depth without overpowering the overall design.

Key Features

- Classic vanity unit with integrated basin
- Warm neutral stone tiles
- Chrome brassware

Light Neutral Ensuite With Statement Mirror

Overview

Pale zellige-style wall tiles and bold geometric floor tiles give this compact ensuite a crisp, graphic quality. A black vanity unit, matte black flush plate and radiator create a strong contrast against the white sanitaryware and bright tiling. A tall illuminated mirror adds depth and task lighting, while a glass-enclosed shower with a built-in niche keeps the layout practical and well-considered.

Key Features

- Zellige-style wall tiles
- Graphic patterned floor tiles
- Tall illuminated mirror
- Coordinated black fittings

Botanical Feature Tile Shower Bathroom

Overview

Pattern and texture combine in this contemporary bathroom. Hexagonal tiles create a clean, consistent backdrop, while botanical feature tiles within the shower area introduce colour and contrast. A frameless glass enclosure keeps the space open, complemented by a wall-hung vanity with a countertop basin and chrome brassware.

Key Features

- Botanical hexagonal tiles
- Glass shower enclosure
- Wall-hung vanity with countertop basin

Classic Cloakroom with Heritage Features

Overview

A compact cloakroom designed with a strong traditional feel. A high-level cistern with pull chain creates a distinctive focal point, complemented by a wall-mounted basin with exposed chrome pipework. Heritage green metro tiles bring depth and colour to the lower walls, while patterned floor tiles add contrast and complete the scheme.

Key Features

- Green metro tiles
- Patterned floor tiles
- Olive green high-level cistern with pull chain

Your Journey With Us

Clear Guidance At Every Stage

Your bathroom journey should feel clear and simple from the start. With advanced design technology, expert advice and flexible service options, including supply only, we help you make confident decisions at every stage. Below, you can explore our full bathroom journey. For details on our supply-only service and how it works, please [click here](#).

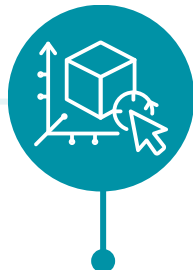

Design Consultation

We take the time to understand your space, style, requirements, and budget to begin shaping your perfect bathroom.

4D Virtual Reality

Interact with your new bathroom in immersive 4D virtual reality, where you to explore layouts, products, and details before installation begins.

3D Bathroom Design

Using advanced 3D design software, we bring your bathroom to life and refine every detail before installation begins.

Stress-Free Installation

Choose our fully managed installation service or work with your own installer on a supply-only basis.

First-Class Aftercare

Our support continues long after installation, ensuring you can enjoy your new bathroom with complete peace of mind.
