Great British Heritage

OUR STORY

Appropriately founded in the home of bathing, Roper Rhodes was established in 1979 in the beautiful city of Bath, which we still call our home today. It's been over 40 years since then where we have grown and changed along with the city. Furthermore our passion for design, ingenuity and creativity has never been stronger.

Our products are made with consideration as well as stringently tested to ensure uncompromising performance and durability. Such is the confidence in our designs that our ranges are covered by extensive guarantees for your peace of mind. For example you can relax knowing you will receive a 20 year guarantee against defects in manufacture on sanitaryware and 10 years on our furniture.

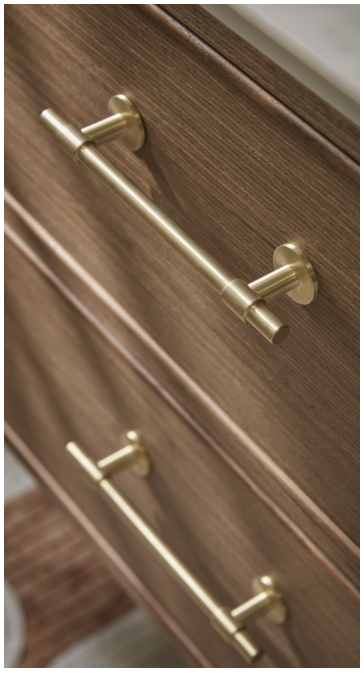

We have a rich history but are also obsessed with product development; constantly innovating, with each new product launch seen as an opportunity to improve the lives of our customers. We work on the basis that every aspect of the life of our products must be considered, challenged and designed to be better. This approach has resulted in us having a market leading product innovation vitality score.

Great British Design

OUR PEOPLE

For over forty years, we at Roper Rhodes have striven for bathroom perfection. Our dedicated team has grown from just one man to a group of people obsessed with all the little details that go into making your dream bathroom.

At every step of the way the customer is at the forefront of our minds. Starting with our product designers, who are always in search of how they can improve the bathroom experience. Push-button showers and contactless flushing are just some of the innovations to come from our team of designers.

Once a product has been made, it finds itself within our impressive 200,000 Sq ft Distribution Centre on the outskirts of Bristol. Here we run a twenty-four-hour operation to guarantee you the best delivery and service we can.

We believe that beautiful bathrooms come from our people, who's inspiration and dedication have made Roper Rhodes what it is today.

PRODUCT STANDARDS

FURNITURE & FITTED FURNITURE PAGES 20-121

We appreciate that when you have made the commitment to invest in such an important room in the house you expect quality and durability. You can rest assured all our products are subject to thorough testing before they ever reach real bathrooms. Please read on to see how every element is assessed.

Our furniture is subject to operational testing including:

HINGES & RUNNERS
Whether you stow things away to only open up your storage once a week, or you are opening multiple times a day to find your favourite moisturiser you can be sure they will be consistent every time. Components are open/close cycle tested for endurance with **hinges being tested up to 80,000 cycles** and **drawer runners subjected to 50,000 cycles.**

PAINT ADHESION & HARDNESS
Our furniture is painted to the highest of standards to provide perfect coverage and withstand the rigour of bathroom use, paint adhesion and hardness is tested until failure to ISO standard.

WALL HANGING BRACKETS
If you have opted for the clean look of a wall hung unit, you can be sure it will withstand the demands of everyday use as our hanging brackets are tested up to **200-260kgs** static load by a hydraulic press.

CORROSION TEST
Even our knobs and handles are not left to chance. To replicate life in a bathroom these are put through an accelerated corrosion test that produces a corrosive attack to a plated surface to ensure suitability of the coating.

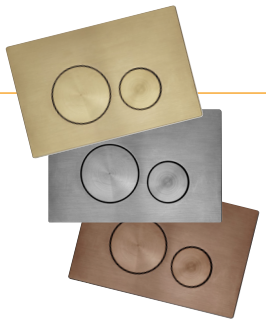

ROPER RHODES 10 YEAR GUARANTEE

Furniture, Taps, Mirrors & Cabinets

ROPER RHODES 20 YEAR GUARANTEE

Ceramics

SANITARYWARE
PAGES 140-169

hushflush™

All Faber WC pans benefit from a whisper quiet flush. Vortex flushing is quieter and uses less water compared to standard rimless pans.

WRAS APPROVED PRODUCT
CERTIFICATION MARK

SANITARYWARE

Every piece of our sanitaryware is tested to last for years to come.

FLUSH VOLUME
The measured discharge on **no occasion should exceed 6L**. Reduced flush shall **not exceed 2/3 of the full flush volume**.

SEAT DROP TEST
Our seats are tested by **dropping 75kg** from a **height of 30mm 15,000 times.**

MAXIMUM PERFORMANCE
Tested in accordance with British & European standards meaning our cisterns have passed a **200,000 cycle** endurance test.

BRASSWARE
PAGES 170-275

BRASSWARE

Our taps and shower valves are manufactured in accordance with the relevant product standards including:

PRESSURE TESTED
Pressure tested to **10bar** in accordance with **BS EN 200: 2008.**

ENDURANCE TESTING
Cycle testing on handles / valves up to **100,000 cycles.**

CORROSION TEST
Chrome Plating / Salt spray testing – to ISO standards as stated in **EN 248:2002** plus coating thickness tests on chrome plating.

TEMPERATURE CONTROL
Temperature stability when the inlet pressure drops (i.e when the cold is turned off) **BS EN 1111 & 1287** to prevent scalding.

WRAS APPROVED
We also hold several WRAS approvals on our tap ranges, and use WRAS approved components.

MIRRORS & CABINETS

We test every switching interface to 100,000 cycles, and subject all bonded components to excessive load tests, so even the most chaotic morning in your household can be withstood with ease.

All products are tested to hold a **minimum of 10kg** of extra weight **for 10 days** to ensure strength, giving you full confidence that all your storage needs will be met.

MIRRORS, CABINETS & LIGHTING

For further assistance in planning your bathroom please visit our website to see our Bathroom Renovation Guide **roperrhodes.co.uk/bathroom-renovation-guide**

Bathroom storage solutions

SPACE MEETS STYLE

CLOAKROOM UNITS

Cloakroom units offer compact, stylish storage solutions that maximize space in smaller bathrooms or guest WCs, keeping essentials organised without compromising on design. For more inspiration, see pages 104-111.

TALL WALL COLUMN

Offers a sleek solution for bulkier items like cleaning products, spare toilet rolls, and oversized bottles - keeping everything organised and within easy reach while maximizing unused space.

Head of Category - Keith Alcock Furniture

MAKE SPACE FOR WHAT MATTERS

'Clever storage solutions for small bathrooms offer endless configurations, whether your style is modern or traditional. From tall pull-out drawers and wall columns to in-drawer organisers, these options create a compact and effortlessly tidy space, making sure that your cloakroom or en suite is free from clutter, becoming a more relaxing space.'

ABOVE WC CABINETS

Add storage without taking up floorspace with an above-the-toilet cabinet. With three shelves and a slim profile, it's ideal for keeping towels and toiletries tidy. See our fitted furniture ranges for more information pages 114-121.

TALL DRAWERS

Tall drawers keeps toiletries, cleaning supplies, and other items neatly hidden, reducing clutter and creating a clean look. Everything has its place, making it easier to access what you need without rummaging through piles of items.

GET THE NEUTRAL MAXIMALISM LOOK *with Zoe Jones*

@roperrhodes

BE INSPIRED

Our in-house designer Zoe gives you her tips on how to achieve the Neutral Maximalist style in your bathroom.

Embrace pattern, texture and shape in a cohesive tonal colour palette to create an elegant and refined design scheme.

For this look, we paired the elegantly crafted Walcot unit with a solid white Carrara worktop and undermounted basin. Walcot brushed nickel brassware, and accessories combined with sculptural elements such as the skirted bath and fluted glass lights lend sophistication to a room - the result is neutral maximalism at its finest.

'Thoughtfully layer textures, opting for natural wood finishes, veined marble alongside brushed metal accessories, or a sculptural freestanding bath paired with organic washed bath linen'

THE WALCOT COLLECTION

A carefully curated selection of furniture, brassware, mirrors, and accessories that speak to the traditionalist at heart; each element of the Walcot collection has been chosen to reflect refined, elegant, and thoughtful bathroom design.

ELEGANCE FRAMED

Choose from a range of mirrors and accessories that complement the collection's iconic fittings and help create a cohesive, considered design story.

SCULPTED SIMPLICITY

Available in a rich array of finishes, our Walcot brassware fittings feature inspired crosshead detailing and a gently tapered base.

THE FABER COLLECTION

Faber brings a playful yet purposeful approach to bathroom design. With modular furniture options, a wide choice of modern finishes, minimalist mirrors with smart features, and tactile, circular brassware details, Faber invites you to customise your space with creativity and colour.

FUNCTION FIRST DESIGN

Faber sanitaryware includes wall hung, close coupled, and back-to-wall WCs, all featuring a powerful hush flush™ and a rimless, sleek design.

hushflush™

MINIMALIST MIRRORS

An array of smart bathroom mirrors in various shapes and sizes, featuring motion sensors that automatically turn the mirror on as you walk in.

DESIGN MEETS TEXTURE

Faber brassware features dial handles, round plates, and crafted knurled accents for both style and enhanced grip.

FURNITURE

Explore our furniture

COLLECTION

When it comes to adding a stylish yet practical touch to your new bathroom design, choose from the Roper Rhodes furniture collection and you can be assured of hitting the mark.

Our range has something for every taste and the designs incorporate a host of thoughtful features such as useful drawer dividers or internal lighting, soft close drawer runners and door hinges. Handle choices make the furniture truly yours

Matt White

The matt white finish brings a timeless elegance to bathroom furniture, durable and easy to maintain, the finish not only enhances the visual appeal but also contributes to a fresh, bright atmosphere in the bathroom

Light Oak

Adds a touch of natural warmth and texture to bathroom furniture, creating a welcoming and relaxed atmosphere. With its subtle grain patterns and soft, neutral tone, perfect for a bathroom with a refined and considered style.

Walnut

Walnut brings rich, sophisticated character to bathroom furniture, with its deep tones it adds warmth and luxury to the space. This elegant finish is perfect for creating a bold, refined look, offering a statement of understated elegance and enduring style.

FABER STORAGE OPTIONS

For extra storage, why not opt for our coordinating wall column – perfectly colour matched to your furniture. Keep it simple with a door overlap for opening or match with the same handles chosen for your faber unit.

Our 200mm tall pull-out drawer unit adds plenty of storage to your unit, and with a soft-close drawer, it ensures a smooth, luxurious closing experience

Alternatively, choose a Vault cabinet to store your bathroom essentials. These cabinets feature colour-matched sides that complement your unit, creating a cohesive and stylish bathroom design.

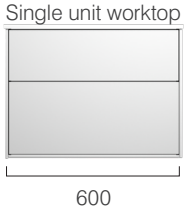

Simply add a 200mm tall drawer unit to your bathroom configuration, giving you more flexibility to design your space and style. Below are some configurations that could work perfectly in your bathroom.

SCHEME

For all Scheme furniture units

Our Scheme furniture has something to suit every taste. Opt for our sleek slab door or choose our alternate fluted front door style. Comprising a comprehensive selection of basin unit sizes, basin types, stunning furniture finishes & handle options, you can tweak every detail to perfectly suit your space & personal sense of style.

Guaranteed for 10 years, our furniture reflects our promise of enduring quality and craftsmanship.

- Pair with sleek colour matched handle for complete cohesion. Available in two sizes 600 & 800mm. Cloakroom options are also available for smaller spaces
- Built-in drawer dividers and optional beech storage boxes
- Soft close drawer runners and door hinges giving a smooth, quiet closing action and luxurious feel

Unique Furniture

SCHEME - BASINS

Your choice of basin is key to the look and feel of your unit. Our basin collection provides you with multiple possibilities to create something truly unique for your Scheme furniture.

- Scheme cloakroom basin is compact and neat, featuring a corner design with a single corner tap hole
- Our Frame ceramic basin can also be used with Scheme to achieve a smooth, straight profile
- Isocast basins inspired by high end premium hotels provide useful extra surface space in the bathroom and are available in a luxurious double basin style
- Unique counter top basins in a range of shapes and sizes, mounted onto solid surface worktops give you that spa feeling at home

Unique Furniture

SCHEME - STORAGE

For extra storage, why not opt for our coordinating cabinets or wall column – perfectly colour matched to your furniture with ample internal. Keep it simple with a door overlap for opening or match with the same handles chosen for your scheme unit.

Our wooden drawer dividers too add practicality to the bathroom, helping to keep all of your bits and bobs in place.

Unique Furniture

SYSTEM - BASIN OPTIONS

The polished, minimal form of our basin designs work perfectly when combined with System furniture. Choose from sleek, single-mould isocast or classic ceramic in a range of sizes to suit your System basin unit. Or go bold with one of our stylish countertop basin options, for a truly unique look.

- Smooth, ceramic System basins designed to perfectly match your furniture
- Isocast basins inspired by high end premium hotels provide a slimmer look and useful extra surface space in the bathroom
- Countertop basins make a statement to create a true centrepiece in the bathroom

FITTED FURNITURE

Explore our fitted furniture

COLLECTION

Fitted bathrooms are custom-designed to make the most efficient use of available space. By utilising every nook and cranny, fitted furniture can provide ample storage and maximise functionality, particularly in smaller bathrooms.

Designed to seamlessly integrate with the overall aesthetic of your bathroom. Fitted furniture offers a cohesive and uniform look, as the units are fitted against walls and often provide concealed storage, hiding pipework and creating a neat appearance.

The furniture is highly customisable to suit your specific needs and preferences. You can select the materials, finishes, and configurations to create a personalised space that perfectly matches your style and requirements.

Roper Rhodes Fitted Furniture

DESIGNED BY US. TAILORED BY YOU.

GUARANTEE
10 year guarantee on all fitted furniture

Fitted furniture is all about taking the space you have and making it reach its full potential. Unrestricted and completely customisable, fitted furniture gives you the flexibility & storage you need, with the style you love. Fitted furniture is great for going between walls to maximise storage and hide any pipework and services

Whether you live in a Victorian townhouse, an ultra-modern apartment, or something a little more unusual, our boundless combinations of fitted furniture styling options give you the ability to create a bathroom that feels uniquely and effortlessly 'you'.

WIDE CHOICE OF UNITS

Choose from a range of floor units, wall cupboards, full height and above counter units, all available to help create your perfect bathroom look.

IDEAL FOR LARGE & SMALL SPACES

Consider the available space in your bathroom and choose from either standard depth (353mm) or space-saving slim depth (218mm) units.

BATHTUBS

Explore our bathtub

COLLECTION

Our signature bathing collection embodies our legacy of design and time-honoured craftsmanship. Individually produced for quality and consistency, each of our baths marry beauty and utility to elevate the everyday bathing experience. From the quintessential lion foot to sleek, contemporary styles, the bathing collection features era spanning designs to suit any bathroom scheme.

Choose from freestanding tubs, single or doubled-ended styles, showering baths and back-to-wall options for complete design flexibility.

Discover Roper Rhodes Bathtubs

DESIGNED IN THE HOME OF BATHING

TRADITIONAL BATHTUBS

Step back in time with our striking collection of traditional freestanding baths. Our range includes styles from the classic clawfoot to the mid-century boat bath in a wide range of sizes to suit bathrooms both small and spacious. With a choice of proprietary traditional accessories available to complete the look.

CONTEMPORARY BATHTUBS

Sleek, simple and streamlined, our collection of modern baths are ideal for the contemporary family bathroom. Available in a range of sizes, the bathing collection features oval, curved and square bath styles to suit a wide range of tastes. Pair with our wide selection of modern brassware and bath accessory styles.

10 YEAR GUARANTEE

We believe good design stands the test of time. Our bathtubs are all guaranteed for ten years, giving you peace of mind now and for the future.

QUALITY PRODUCTS

Purposeful design is evident in everything we do. Individually made and stringently tested, each bath and bathing accessory in our collection represents the highest levels of quality and forty years of design expertise.

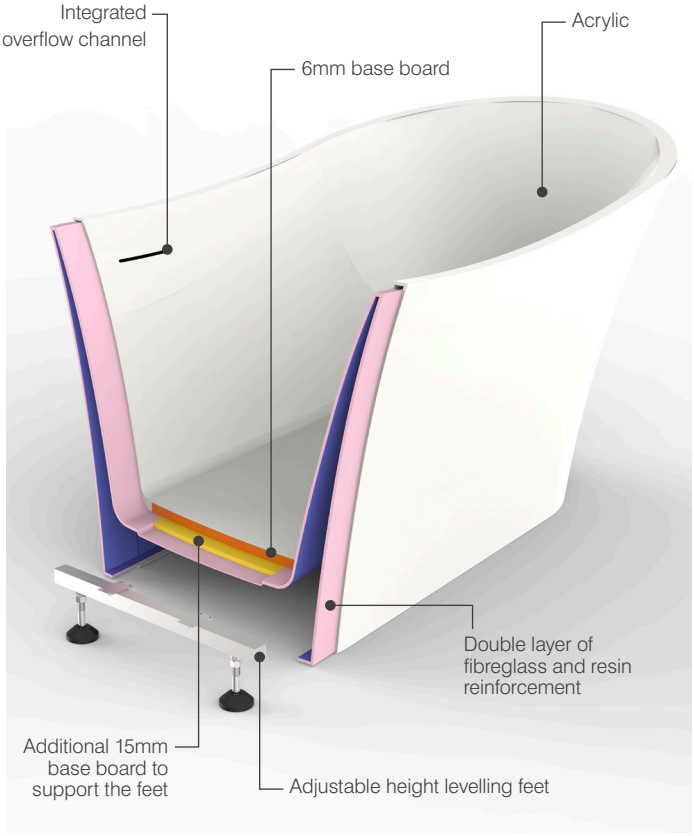

A CLOSER LOOK

All Roper Rhodes baths are built with a dual skinned acrylic body and reinforced with multiple layers of resin fibre to provide superior strength and heat retention.

BATHTUB MATERIALS

Our acrylic tubs offer several additional benefits. The double layer of acrylic and the middle reinforcement layer provide better insulation, ensuring water stays warm for longer. More robust and long-lasting, dual layered baths are resitant to flexing and deforming under pressure. A smoother, glossier finish allows for ease of cleaning, while a deeper pigment and improved colour consistency prevent discolouration over time. All Roper Rhodes bathtubs are supplied in a white gloss outer surface. If you with to paint your bath please use suitable acrylic primers and paint. If in doubt, seek advice from the paint manufacturer. Any modification to the finish after purchase will void the warranty.

ACCESSORIES

BATHTUB FEET

Cast from robust aluminium and expertly finished, our bath feet are inspired by the original Regency lion paw design and are designed to be paired with our traditional baths. Available in four finishes to suit any scheme.

- One pack of feet contains four feet and all fixings required.
- The feet are universal and work on all traditional tub options
- Feet are supplied with floor fixings to secure the bath tub in position and have a height adjustable levelling feature

Available in four finishes

BAA102	White	**£201.00**
BAA104	Chrome	**£201.00**
BAA101	Matt Black	**£304.00**
BAA103	Brushed Brass	**£373.00**

EXPOSED OVERFLOW KITS

Available in click mechanism and chain waste options.

- The overflow and waste is universal and compatible with all traditional tubs.
- The pipe can be cut down to suit all Roper Rhodes traditional bath tub models.

Exposed Overflow Kit with Click Waste
Available in two finishes

BAA108	Chrome	**£258.00**
BAA109	Brushed Brass	**£412.00**

Exposed Overflow Kit with Plug & Chain Waste
Available in two finishes

BAA110	Chrome	**£189.50**
BAA111	Brushed Brass	**£303.00**

P TRAPS

An essential part of a bathtubs plumbing system, our high quality P-traps ensure safe and efficient drainage while also coordinating with your chosen brassware. Constructed in robust brass and expertly plated.

- This connects to either the click waste or the chain waste depending upon your choice.
- The opposing end of the trap connects to the drain pipe.

Available in two finishes

BAA112	Chrome	**£74.40**
BAA113	Brushed Brass	**£109.50**

EXPOSED DRAIN PIPES

When used with a P-trap, our exposed drain pipes provide efficient and functional draining from your bathtub. Available in two finishes, this component can be cut to the required length.

- This 40mm pipe connects to P-trap and then to the waste pipe to drain the water away whilst keeping the finish of the rest of the accessories.
- It comes with a shroud to cover the exit point to the wall or floor.
- The pipe is cut down by the fitter to the required length.

Available in two finishes

BAA114	Chrome	**£132.50**
BAA115	Brushed Brass	**£241.00**

BATHTUB SHROUDS

STANDPIPES

Functional and aesthetic, standpipes and shrouds conceal unsightly pipework while supporting your bath filler or bath/shower mixer. Available in a high shine chrome and brushed brass finish. See pages 196-199 for the Keswick bath filler or bath/shower mixer.

Shrouds
Available in two finishes

BAA116	Chrome	**£275.00**
BAA117	Brushed Brass	**£412.00**

Standpipes
Available in two finishes

T262102	Chrome	**£590.00**
T262104	Brushed Brass	**£645.00**

Explore our basin & WC

COLLECTION

Discover style in every corner of the bathroom with our collection of fine ceramics, all designed by our specialist product designers.

Contemporary forms combine with their expert know-how to give you the best selection of stylish and practical basins, WCs and flushing solutions.

Discover

ROPER RHODES BASINS, WCs & FLUSHING

WC & BASIN SOLUTIONS FOR ALL SPACES

Our basins and WC collections offer a breadth of solutions for all bathroom sizes, no matter how big or small. Covering both modern, contemporary and timeless classics, there is a solution for all styles. Delve in and explore for yourself...

The quiet revolution in toilet technology. Designed to operate with significantly less noise than standard flush systems, Hush flush™ delivers a discreet, whisper-quiet performance without compromising on power.

20 YEAR GUARANTEE

At Roper Rhodes, we pride ourselves in offering high quality products that are built to last, even in the hectic and high traffic space that is the bathroom. That's why all of our basins and WC's benefit from a 20 year guarantee. We provide a 10 year guarantee on seats and 5 years on cistern fittings.

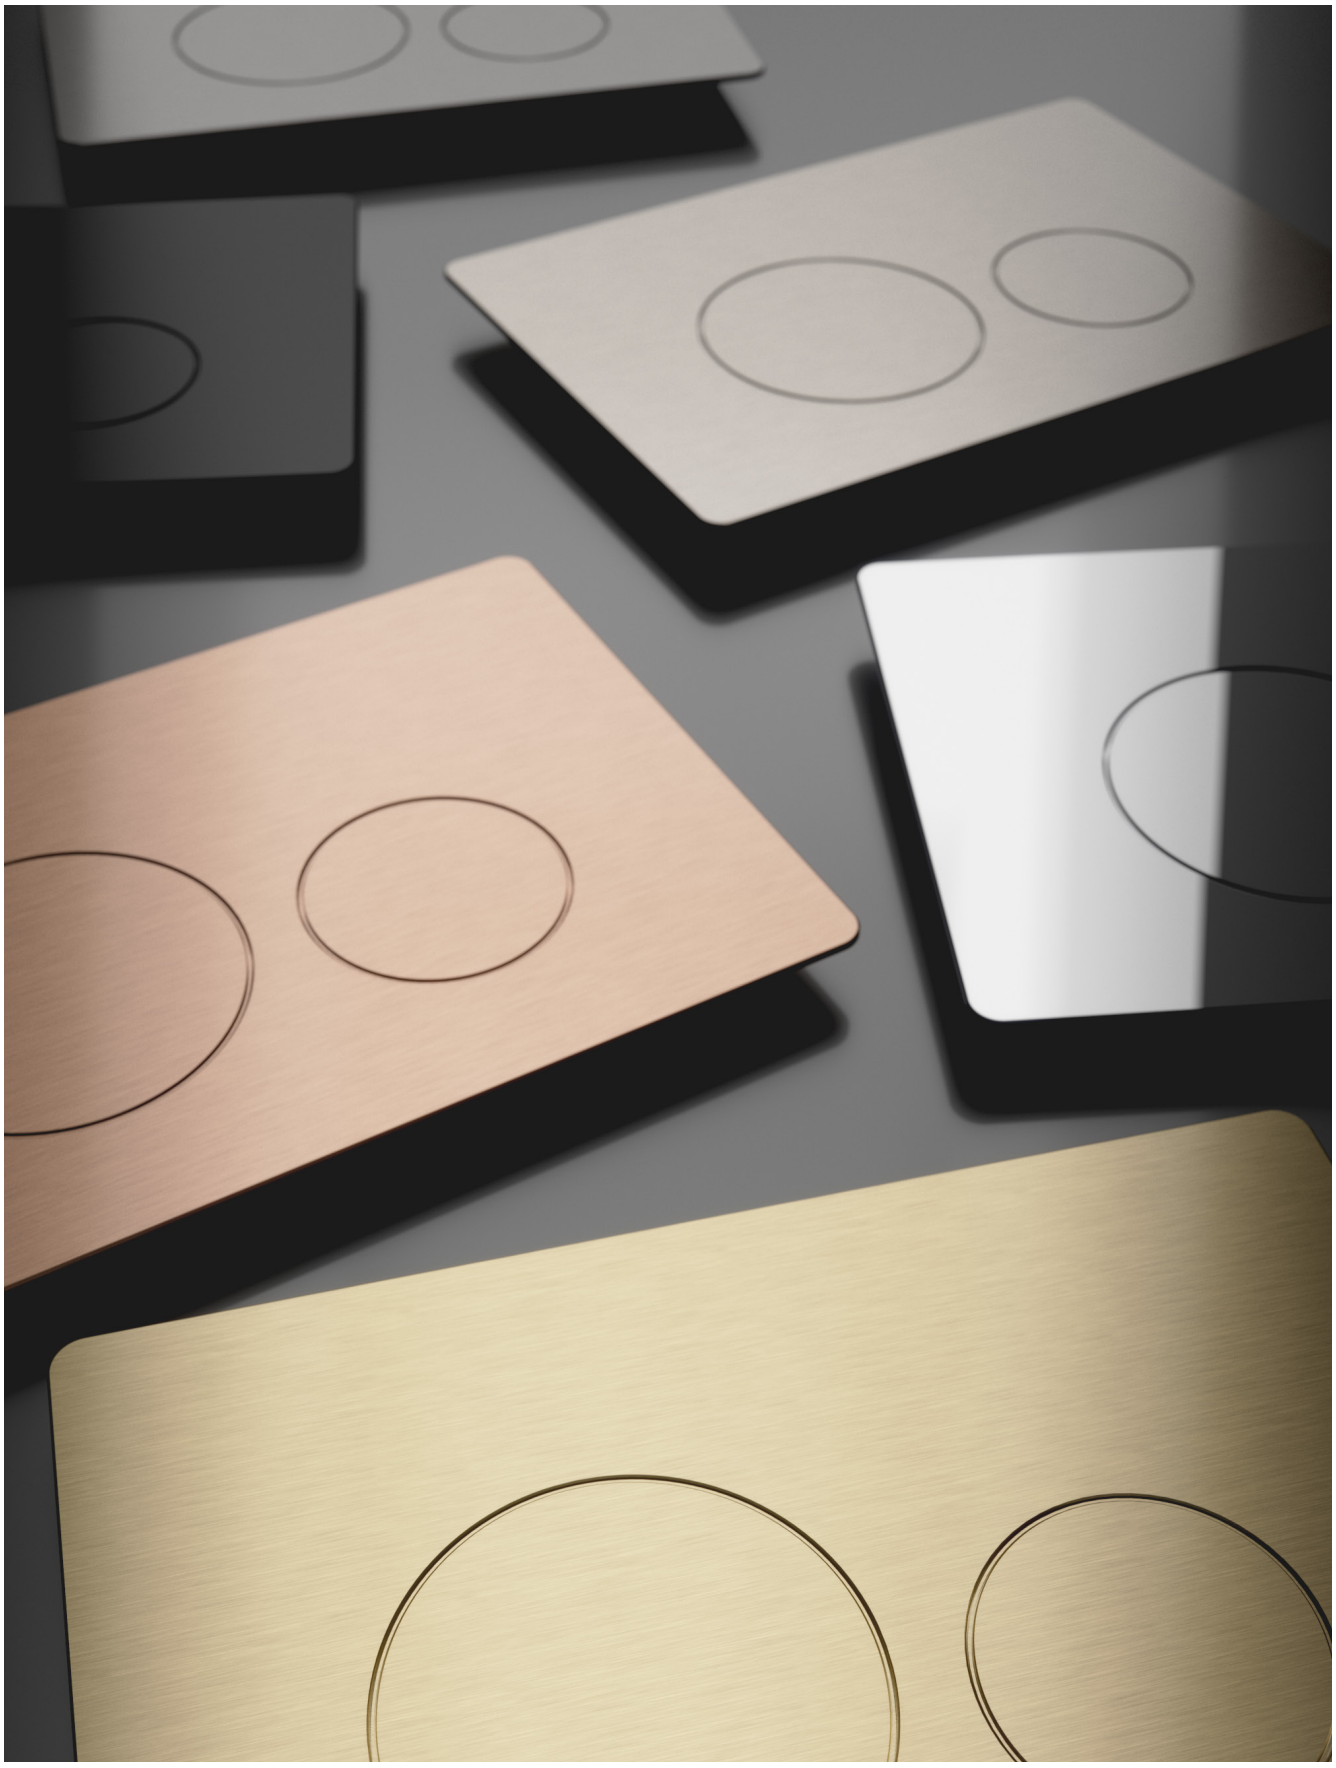

AIR GAP TECHNOLOGY

All Roper Rhodes closed coupled WC Torrent cisterns are now supplied with air gap technology, they also benefit for a WRAS approved inlet and flush valves, and have a built in silencer to reduce water fill noise levels.

DESIGNED TO LAST

Rest assured all our seats are fully tested through a drop test of a weight of 75kg from a height of 30mm to 15,000 cycles. So you can be sure our seats will last once installed.

PREMIUM FLUSH PLATES

Our premium flushplate sets a new standard in both design and functionality, featuring a high-quality stainless steel front plate that offers a more luxurious feel. Its ultra-slim 4mm profile allows it to sit almost flush against the wall, creating a sleek, modern aesthetic. Available in a wide range of finishes. Our brushed finishes are treated with a durable PVD coating to ensure long-lasting colour and a easy clean finish.

Basins

COUNTERTOP BASINS

20 YEAR GUARANTEE Ceramics

Create a hotel look in your home by upgrading to one of our countertop basin options.

When placed on a worktop, these oval or rectangular basins provide a clean uncluttered finish. A distinctive and attractive alternative to conventional bathroom basin.

Enhance the overall style of your furniture unit by selecting an aspirational solid surface worktop with the natural elegance of stone.

To ensure our countertop basins fit seamlessly into your bathroom, pair them with a compatible worktop. Explore the furniture range pages below to find your perfect match:

Flushing Solutions

PREMIUM STAINLESS STEEL FLUSH PLATES

Our premium flushplate sets a new standard in both design and functionality, featuring a high-quality stainless steel front plate that offers a more luxurious feel. Its ultra-slim 4mm profile allows it to sit almost flush against the wall, creating a sleek, modern aesthetic. Available in a wide range of finishes, brushed finishes are treated with a durable PVD coating to ensure a long-lasting resistance to wear.

Close Coupled WCs

FLUSHING SOLUTIONS

CLOSE COUPLED SENSOR FLUSH KITS

With a simple wave of the hand, hygienic, contactless flushing is now here for close coupled WCs. Two sizes are available depending on the size of the flush button hole in the cistern lid.
The button kits have been designed to retro-fit to existing WCs which have paddle operated flush valves. For Torrent cisterns which have pneumatic or cable operated flush valves, or where the button screws in directly to the flush valve, then the flush valve will also need to be swapped to our TR9033 valve which has a 2" base.

When upgrading an installed Roper Rhodes cistern the following ranges will require the following items to operate correctly

- Aruba p156 and Elka p154
  Flush button kit TR9032
- Faber p145
  Flush button kit TR9031

ø38mm close coupled sensor flush button kit

TR9031	**£103.00**

ø48mm close coupled sensor flush button kit

TR9032	**£103.00**

Gunmetal	DC4028	**£38.10**
Brushed bronze	DC4045	**£38.10**

Widcombe Thermoset Seat (WSCTS-SF)
Elka Slim Seat (ELSLSCTS-SF)

Black	DC4019	**£21.10**
Brushed brass	DC4020	**£36.30**
Gunmetal	DC4030	**£38.10**
Brushed bronze	DC4047	**£36.30**

Hampton Seat (HAMSCTS-SF)
Aruba Seats (ARSCTS-SF, ARSLSCTS-SF, ARSCTS2-SF)
Faber Wrapover Seat (DC14077-SF)
Elka Wrapover Seat (ELSCTS-SF)

Black	DC4032	**£21.10**
Brushed brass	DC4033	**£36.30**
Gunmetal	DC4034	**£38.10**
Brushed bronze	DC4046	**£36.30**

FLUSH BUTTON UPGRADE FOR TORRENT CISTERNS

Upgrade your close coupled cistern flush buttons to one of the finishes below.

Use the ø48mm button for the following ranges

- Hampton close coupled cistern p148
- Elka close coupled cistern p154
- Aruba close coupled cistern p156
- Paradigm close coupled cistern p158

ø48mm flush button cistern upgrade

Black	TR9027	**£22.10**	Nickel	TR9056	**£27.70**
Brushed brass	TR9039	**£27.70**	Brushed bronze	TR9052	**£27.70**
Gunmetal	TR9048	**£27.70**			

Use the ø38mm button and flush valve TR9033 (opposite) for the following ranges.

- Faber close coupled cistern p145

ø38mm flush button cistern upgrade

Black	TR9026	**£22.10**	Nickel	TR9055	**£27.70**
Brushed brass	TR9038	**£27.70**	Brushed bronze	TR9051	**£27.70**
Gunmetal	TR9047	**£27.70**			

OVERFLOW CAPS UPGRADE FOR BASINS

Upgrade your semi-countertop basin one of our overflow caps.
(Not suitable for Paradigm)

Black	OVMCBK	**£12.10**
Brushed brass	OVMCA	**£12.10**
Gunmetal	OVMCGM	**£12.10**
Brushed nickel	OVMCBN	**£12.10**
Brushed bronze	OVMCBZ	**£12.10**

TAPS & SHOWERS

Explore our tap & shower

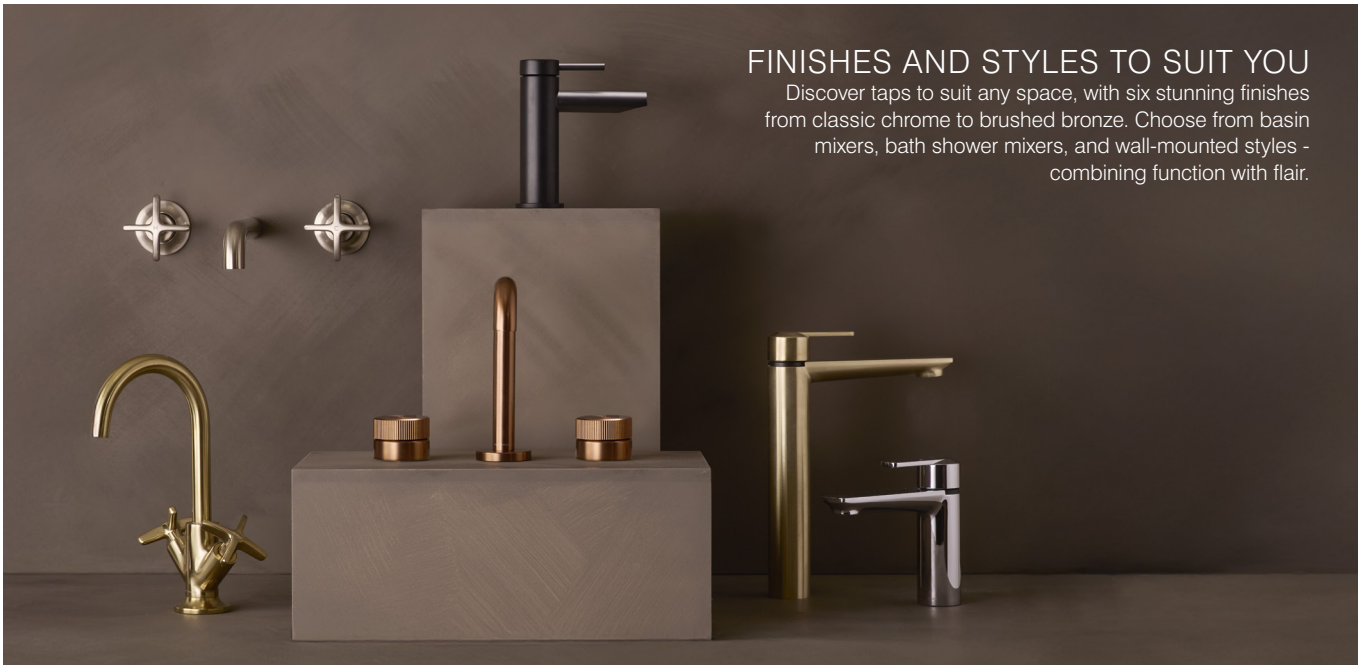

COLLECTION

As specialists in what they do, our product designers are constantly looking for new ways to improve the showering experience. With an extensive range of contemporary designs and functions, we've developed a simple guide to help you choose the right one and get the most of your shower.

When it comes to taps, our wide range of styles mean you'll always find one to suit your taste. Why not take your design one step further and opt for coordinating taps and showers?

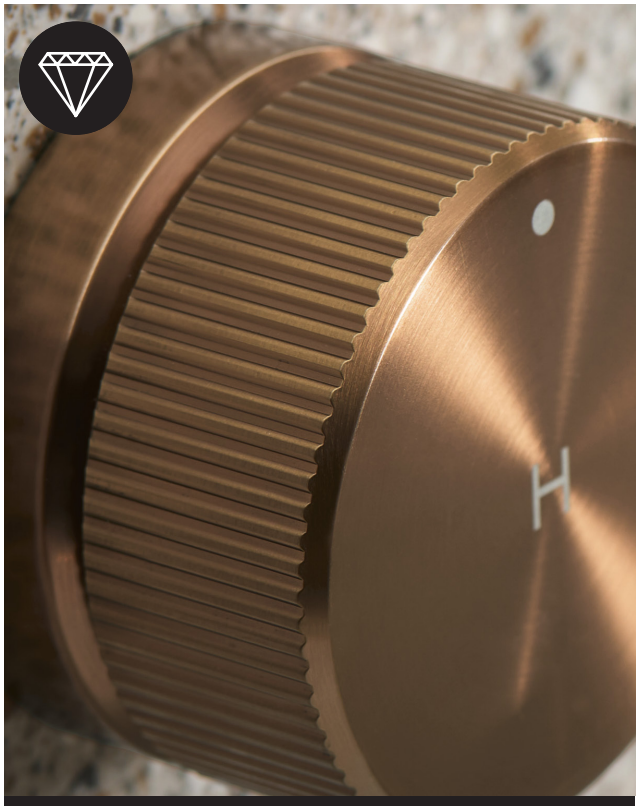

Discover

ROPER RHODES TAPS

FINISHES AND STYLES TO SUIT YOU

Discover taps to suit any space, with six stunning finishes from classic chrome to brushed bronze. Choose from basin mixers, bath shower mixers, and wall-mounted styles - combining function with flair.

PVD TECHNOLOGY

PVD (Physical Vapour Deposition) coating on taps offers a durable, long-lasting finish that resists scratches, tarnishing, and corrosion. PVD-coated taps combine style with exceptional performance and reliability.

WHERE DESIGN MEETS PERFORMANCE

Our taps are designed to work around your needs. From the close detailing to the tactile features and tap design, our brassware is focussed on giving you the best performance.

QUALITY YOU CAN TRUST

Quality bathroom taps offer reliable performance, elegant design, and long-lasting comfort. With smooth operation, precise control, and drip-free ceramic disc technology, they're a smart choice for any style. Built to high standards and backed by guarantees, they're made to last

All Roper Rhodes taps come complete with a 10 year guarantee, including the cartridge, giving you complete confidence in making a Roper Rhodes tap part of your new bathroom experience.

EFFICIENCY IN EVERY DROP

Our water savers are designed to save water without compromising performance. They reduce water usage while maintaining a strong, steady stream. These taps are ideal for environmentally conscious homes, helping lower utility bills and conserve natural resources - all while adding a stylish touch to your bathroom.

Making the perfect choice

TAP BUYING GUIDE & FEATURES

Use the table below to guide you through our tap collection.
Make your choice from the wide range of designs to suit both low & high pressure applications.

	Basin mixer	Mini basin mixer (ideal for cloakrooms)	Tall basin mixer	Side action basin mixer	3 hole basin mixer	Wall mounted basin mixer	Basin taps (pair)	Bath filler	Bath shower mixer with handset	Wall mounted bath shower mixer with handset	Freestanding bath shower mixer	Wall mounted spout	Stand pipes

ROPER RHODES 10 YEAR GUARANTEE

GUARANTEE
10 year guarantee
including tap cartridge

LOW PRESSURE 1

Suitable for all plumbing systems including conventional gravity fed ones with a minimum 0.1bar pressure* and above

LOW PRESSURE 2

Suitable for all plumbing systems including conventional gravity fed ones with a minimum 0.2bar pressure* and above

MEDIUM PRESSURE

Suitable for all plumbing systems including conventional gravity fed or modern pressurised ones with a minimum 0.5bar pressure* and above

HIGH PRESSURE

Requires a minimum pressure of 1.0bar or above and are more suitable for modern pressurised plumbing systems

SWIVEL AERATOR

Allows the position of the running water to be moved

SWIVEL SPOUT

Allows the spout to be moved from side to side

LEVER ACTION CERAMIC TECHNOLOGY

A smooth, easy to use action giving accurate flow control

QUARTER TURN CERAMIC TECHNOLOGY

Quarter turn taps only require a 90° turn of the handle to move from fully open to closed

UNDER SPOUT DIVERTER

Located underneath the spout, turn to divert the water flow to use the shower or fill the bath. Easier to clean

10 YEAR GUARANTEE

All taps come with a 10 year guarantee, including the tap cartridge

PVD

A hardwearing and scratch resistant coating

CHROME3

Utilising Chrome3 electroplating, a more environmentally friendly process

ECO1

Compatible with our optional water and energy saving shower flow regulators

ECO2

Compatible with our optional water and energy saving basin tap flow regulators

ECO3

Compatible with our optional water and energy saving basin mixer flow regulators

*Bar pressure is a unit of measurement for pressure
0.1bar is equal to a metre head of water. In plumbing terms this means that for a gravity fed system, if the base height of your water tank is 1m above a tap, then you will have 0.1bar of pressure at the tap

For further technical information on all Roper Rhodes taps including fitting instructions and after-care documents, please visit our website **roperrhodes.co.uk**

WATER SAVING FLOW REGULATORS

Our range of optional regulators and aerators are an easy, cost effective way you help save water.
These can be used with selected Roper Rhodes products to help reduce your water consumption.

ECO1 SHOWER WATER SAVERS

Suitable for showers & bath shower mixers displaying the ECO1 icon

6 litres/min FR01 | 8 litres/min FR02 | 10 litres/min FR03 — **£12.20** each

- Mount between the valve & hose for shower valves with handsets or your bath shower mixer
- Mount between head and arm on your fixed shower heads
- We do not recommend the use of regulators with bath taps or fillers as you will want your bath to fill as quickly as possible

ECO2 BASIN TAP WATER SAVERS

Suitable for pairs of taps displaying the ECO2 icon

3 litres/min FR07 | 5 litres/min FR08 | 7 litres/min FR09 — **£5.30** each

- Install into the inlet of the tap
- One required for each tap, therefore please purchase in pairs
- Available in a range of flow ratings

ECO3 BASIN MIXER WATER SAVERS

Suitable for taps displaying ECO3 icon

1.7 litres/min FR04 | 3.5 litres/min FR05 | 5 litres/min FR06 — **£10.90** each

- Produce aerated water flow
- Simple to install into the aerator housing of basin mixer
- Available in a range of flow ratings

Basin mixer water savers include a chrome plated housing as standard. For black and brushed brass taps order an additional housing below.

Black SP21477 **£4.10**
Brushed brass SP21478 **£4.10**

Discover

UNDERSTANDING YOUR SHOWERING OPTIONS

EXPOSED SHOWER VALVES

Bring the charm of traditional brassware into your home. Our timeless collection of surface mounted showers pair the period style you love with our tried and tested engineering, giving you that vintage feel with the comfort that your shower will last for years to come.

BAR SHOWERS

Occupying slightly less area than traditional exposed valves, bar valves are an economical choice that are ideal for compact shower spaces. Exceptionally easy to install and maintain, our collection of bar style mixer shower valves are available with a classic single function handset, or as a dual function system with a rainfall effect showerhead. Available in smooth, round or sleek square designs.

PUSH BUTTON SHOWER VALVES

Making the everyday task luxurious. Swiss engineering combines with intelligent push button technology to offer you effortlessly luxurious showering, all at the touch of a button. Available in an expansive range of styles and configurations.

CONCEALED SHOWER VALVES

Our concealed thermostatic shower valves offer single, dual or triple function, all in one easy to control system. Single function allows you to choose your temperature level, dual function allows you to seamlessly switch between handset and overhead showers, whilst triple function adds our smart flow bath filler. Both include a specific handle to control the temperature, meaning you can choose your perfect level and leave it for the next time you shower.

Making things simple

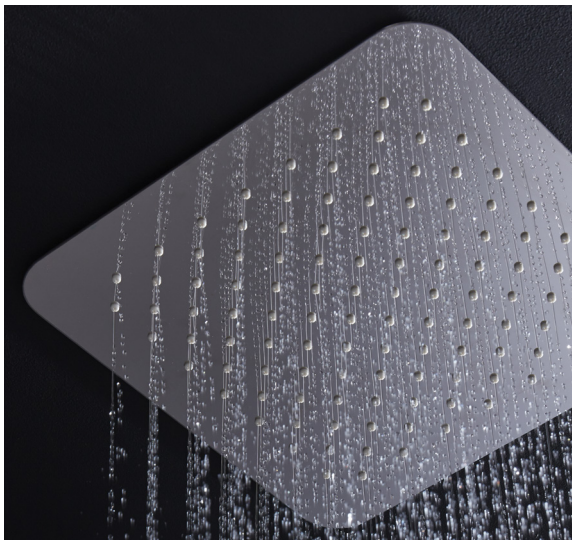

CONCEALED PUSH BUTTON SHOWERS

10 YEAR GUARANTEE

GUARANTEE including thermostatic cartridge

Push button shower systems are the perfect family showering solution, the ergonomic controls allow you to change the showering function at the push of a button. Our Event-click showers are easy to operate and the ideal solution for the modern bathroom. The shower handset features 3 invigorating spray functions, energising, relaxed and massage, providing you with the ultimate choice for relaxation. The separate thermostatic control dial means you can set your desired temperature which keeps it constant for every shower.

EASY INSTALLATION

The valve can be easily removed and serviced even after installation giving you total peace of mind.

CREATE YOUR OWN SHOWER

If our shower packages don't suit your requirements then you can design your own shower to meet your own specific needs & style. The guide in this section will help you select the right thermostatic valve for the job. Then browse the following few pages to select from the different shower components available & build a shower which is bespoke to you.

Make it unique

CREATING YOUR OWN SHOWER

CHOOSE HOW MANY FUNCTIONS YOU REQUIRE

How many functions would you like your shower to control?
Our selection of valves give the option to choose from single, dual and triple function controls, see pages 212-233

SINGLE OUTLET
for single function valves to control a fixed head, handset or bath filler

DUAL OUTLETS
delivering water to two separate outlets for dual function valves to control two outlets, see options opposite

TRIPLE OUTLETS
delivering water to three separate outlets for triple function valves to control three outlets, see options opposite

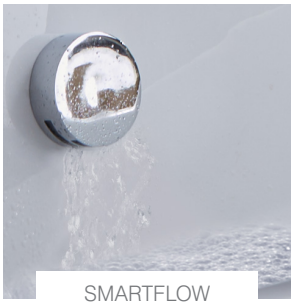

SHOWER HANDSET

OVERHEAD SHOWER

SMARTFLOW
BATH FILLER

BATH MOUNTED
SHOWER KIT

OUTLET OPTIONS FOR SHOWER VALVES

Once you have decided whether you want a single, dual or triple function shower valve (p212-233), next you need to decide what outlets you would like your system to control. Choose from the selection above, all of which are available from Roper Rhodes, see pages 264-273 for all available options.

Make it unique

SHOWER HANDSETS

SVARM31	Brushed brass	£80.30
SVARM35	Brushed nickel	£80.30

The finishing touch

BATH FILLERS

With a Smartflow bath filler, water runs into your bath through the filler rather than a traditional bath mixer tap. Mounted on the inside of the bath, the Smartflow acts as a combined filler and overflow and comes with a click waste. It can be used with a manual mixer valve as a simple bath filler, or connect it to a diverter valve to control both bath and shower outlets.

PVD
PVD hardwearing & scratch resistant coating. Brushed finishes only

10 YEAR
GUARANTEE
Smartflow bath fillers benefit from a 10 year guarantee

Bathroom lighting

COMPLETE LIGHTING SOLUTION

With over forty years of experience, we know it's the details that matter. A great lighting design is key to a high-end bathroom that looks great in every light.

Our lights can be used conventionally or can be connected by WiZ allowing all lights to work seamlessly together and be personalised to your routines and preferences. All our lighting is IP44 rated for safe use in the bathroom.

1

WALL LIGHTING

CONNECTED BY WiZ

Although our lights can be used conventionally they can also be used as smart lights when connected by WiZ making them completely customisable allowing you to set, schedule and adjust your lighting scheme within the WiZ app. Seamlessly integrated with your choice of smart speaker, all of our connected by WiZ products can be voice activated, and further simplified with our convenient smart button.

SMART BUTTON CONTROL OPTION

Enjoy quick and easy control of your lights with the WiZ smart button. This battery operated device enables direct control of your lighting scheme, without going through the app. The smart button can be easily affixed to your wall, without screws, in a place convenient to you.

MOTION SENSOR VIDEO

MOTION SENSOR TECHNOLOGY

Add convenience and efficiency with motion activated lighting — it turns on as you walk into your bathroom and off when you leave, saving energy.

Connected by WiZ

CONNECTED BY WiZ

Our WiZ integrated mirrors are completely customisable - allowing you to set, schedule and adjust your lighting scheme with ease. Combine with our extensive lighting solutions to create a complete smart lighting scheme.

BEYOND REFLECTIONS

Merging the latest in technological advances with our signature style, our range of mirrors and cabinets offer intelligent storage and features.

Whether you're adding a focal point for your bathroom, need to hide away cosmetics and toiletries or just want to add a mirror for purely practical reasons, our range has all the options you'll need.

ZONE
1

Roper Rhodes recommends that products installed in Zone 1 are a minimum of IP65

ZONE
2

Electrical fittings in this zone require a minimum rating of IP44 (splash-proof)

OUTSIDE
ZONES

Electrical fittings in this zone require a minimum rating of IP20

WHAT IS IP44?

IP44 is a rating that tells you how well a product is protected against dust and water. “IP” stands for Ingress Protection, and the two numbers that follow it each have a specific meaning:

The first number (4) means the product is protected against solid objects larger than 1mm, like small tools or wires. It’s not fully dust-proof, but it does block most solid particles.

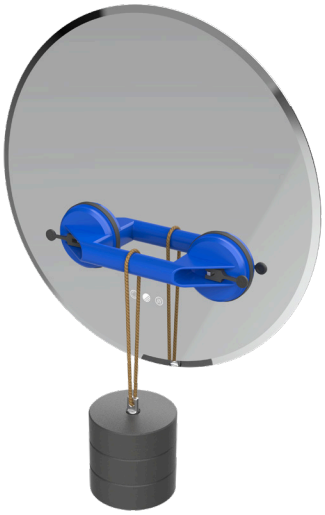

The second number (4) means it’s protected against water splashes from any direction.

All Roper Rhodes illuminated mirrors and cabinets carry an IP44 rating, making them suitable for Bathroom Zone 2 and areas outside the zones. This gives you excellent flexibility when planning your bathroom layout.

MADE FOR REAL LIFE

Every mirror we make is subjected to an impact test that simulates accidental bumps and slips. By applying concentrated force to key points on the glass, we ensure it stays securely in its frame—even under stress, giving you the confidence it will remain durable in your bathroom.

ENGINEERED FOR THE BATHROOM

Static shear test Each of our mirrors is subjected to a bond-strength test in which a 30 kg load is applied for 10 days. The strict pass requirement is 0mm of slippage guaranteeing your mirror will remain looking as it should.

STYLE MEETS EFFICIENCY

LEDs are a sustainable, energy-efficient, long-lasting lighting option. They stay cool for added safety and offer dimming and diverse styles to suit any space or mood.

Discover

ROPER RHODES MIRRORS

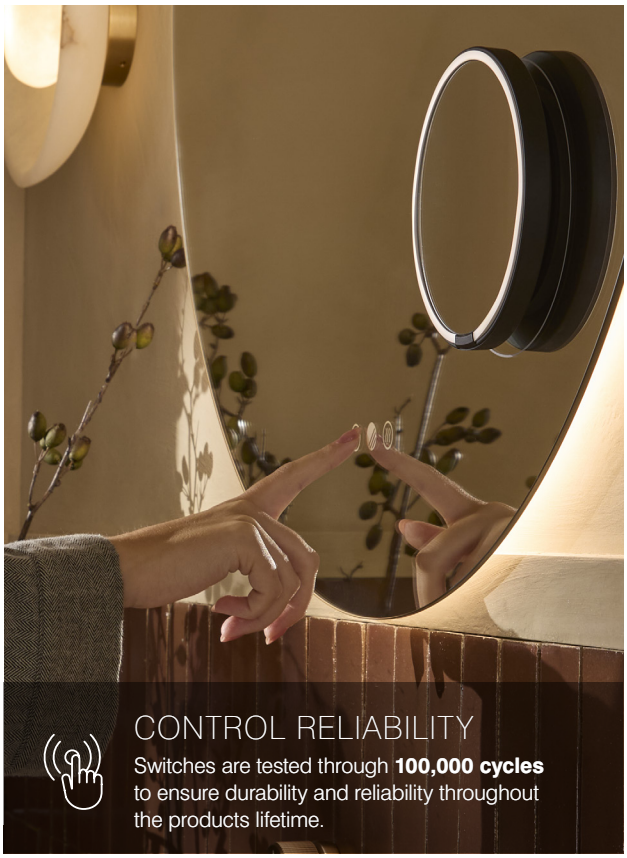

SEE EVERY DETAIL

A 3x magnifying vanity mirror makes beauty routines effortless - from flawless makeup to precise eyebrow shaping - while reducing eye strain, and its versatile uses, including contact lens application, make it an essential beauty tool.

DEPTH OF CHOICE

Our mirror collection ranges from elegant pill shapes to eye catching arch designs, our mirrors include many features including industry leading ghost glass technology and are available in a variety of finishes - from classic black to luxurious brushed bronze.

CONTROL RELIABILITY

Switches are tested through **100,000 cycles** to ensure durability and reliability throughout the products lifetime.

6000K Cool to warm 2700K

FIND YOUR PERFECT LIGHT

Transform your space with ingenious colour changing technology. Invigorate your morning with bright, crisp daylight, or wrap yourself in a soft, warm glow and as you spend an hour relaxing in the bath. With a wide spectrum LED ranging from 2700-6000K, you can easily shift your mirror lighting from cool and white to warm.

PORTABLE MAGNIFYING MIRROR

From everyday make-up needs, to getting that super close shave, Loop makes the perfect partner in your bathroom. See more on page 306.

GHOST GLASS TECHNOLOGY

Experience elegant innovation with our ghost glass bathroom mirrors. When off, they display a sleek, seamless surface. With a touch, the edges glow softly, revealing a striking halo of light.

LED LIGHTING

Energy efficient LEDs provide high quality and bright illumination whilst being 80% more efficient than older incandescent lights

VARIABLE WARM TO COOL & DIMMABLE LEDs

Flexibility to adjust the LED warmth and brightness from an invigorating daylight white (6000K) to a relaxing warm white (2700K)

INFRARED SENSOR

Easy to use, an infrared sensor allows you to control the mirror with just the wave of your hand without touching the mirror

STEAM-FREE

Maintain a steam-free mirror reflection in the bathroom with an integrated heated demister pad

TOUCH CONTROLS

Touch controls offer easy on/off and feature access right from the mirror

TWO-PIN CHARGING SOCKET

Conveniently positioned, this charging socket keeps your electric toothbrush or shaver fully charged

USB SOCKET

Easily accessed USB & USB-C sockets to keep your devices fully charged

IP44 RATED

Mirrors indicated with this symbol are IP44 rated, making them suitable for use within zone 2 of the bathroom

MAGNIFYING MIRROR

Take a closer look at your reflection with our magnifying vanity mirrors

GHOST GLASS

When off, the mirror is sleek and seamless; with a touch, its edges softly illuminate with a halo effect

MOTION SENSOR

Enhances convenience and efficiency with motion-activated lighting - automatically turns on as you approach and off when no motion is detected

Elegance reimagined

WALCOT

10 YEAR GUARANTEE against manufacturing defects

2 YEAR GUARANTEE on all electrical components

STRAPS

NO FIXINGS

WALL BRACKETS

Wall brackets can be positioned landscape or portrait

STEP 1 Pick your shape

Use the base code

Walcot Mirrors	Base code	W x H x Dmm
Arch 400x800	WAM40A	410 x 800 x 42
Pill 400x800	WAM40P	400 x 800 x 42
Pill 500x800	WAM50P	500 x 800 x 42
Circular 600	WAM60C	ø600 x 42
Circular 800	WAM80C	ø800 x 42
Circular 1000	WAM10C	ø1000 x 42

STEP 2 Pick your frame finish

Add the suffix below to your base code

Black	Brass	Nickel	Bronze	RRP
-BL	-BR	-BN	-BZ	**£380.00**
-BL	-BR	-BN	-BZ	**£391.00**
-BL	-BR	-BN	-BZ	**£402.00**
-BL	-BR	-BN	-BZ	**£375.00**
-BL	-BR	-BN	-BZ	**£461.00**
-BL	-BR	-BN	-BZ	**£590.00**

STEP 3 Pick you accessory (optional)

Add the suffix below to your finish code

Wall Brackets -F1 **£48.00**

Brown Strap* -F2 **£48.00**

Black Strap* -F3 **£48.00**

*Straps are not compatible with 1000 circular variants

TOP TIP

When ordering Walcot mirrors please remember to follow **steps 1-3.**

Shown here is an example code for **WAM40P-BL-F1.** This would generate an order for a Pill 400/800 in black with wall brackets.

Arch 400 | Pill 400 | Pill 500 | Circular 600 | Circular 800 | Circular 1000

SAFETY ZONES & ELECTRICAL INFORMATION

ZONES FOR EQUIPMENT IN CLOSE PROXIMITY TO BATHS & SHOWERS

Roper Rhodes illuminated mirrors, cabinets & lighting have been independently tested for compliance with electrical equipment safety regulations. Products shown with the 'tick' icon are IP44 or IP55 rated and are suitable for use in zone 2 and outside zones in the bathroom. Roper Rhodes recommends that products installed in Zone 1 are a minimum of IP65

ZONE 1 — Roper Rhodes recommends that products installed in Zone 1 are a minimum of IP65

ZONE 2 — Electrical fittings in this zone require a minimum rating of IP44 (splash-proof)

OUTSIDE ZONES — Electrical fittings in this zone require a minimum rating of IP20

AT THE WAVE OF A HAND

Easily control your cabinet with our intuitive contactless controls. Designed with you in mind, these controls add simplicity and convenience to your everyday tasks, plus they're hygienic too.

BEAUTY STORAGE, BUILT STRONG

Our shelves are designed to carry all manner of cosmetics, as we static load test them to hold an extra 10kg of weight for 10 days minimum.

CHARGING SOLUTIONS

Discover true convenience with our range of charging enabled mirrors and cabinets. Sleekly designed hidden sockets are perfect for tooth brushes or razors.

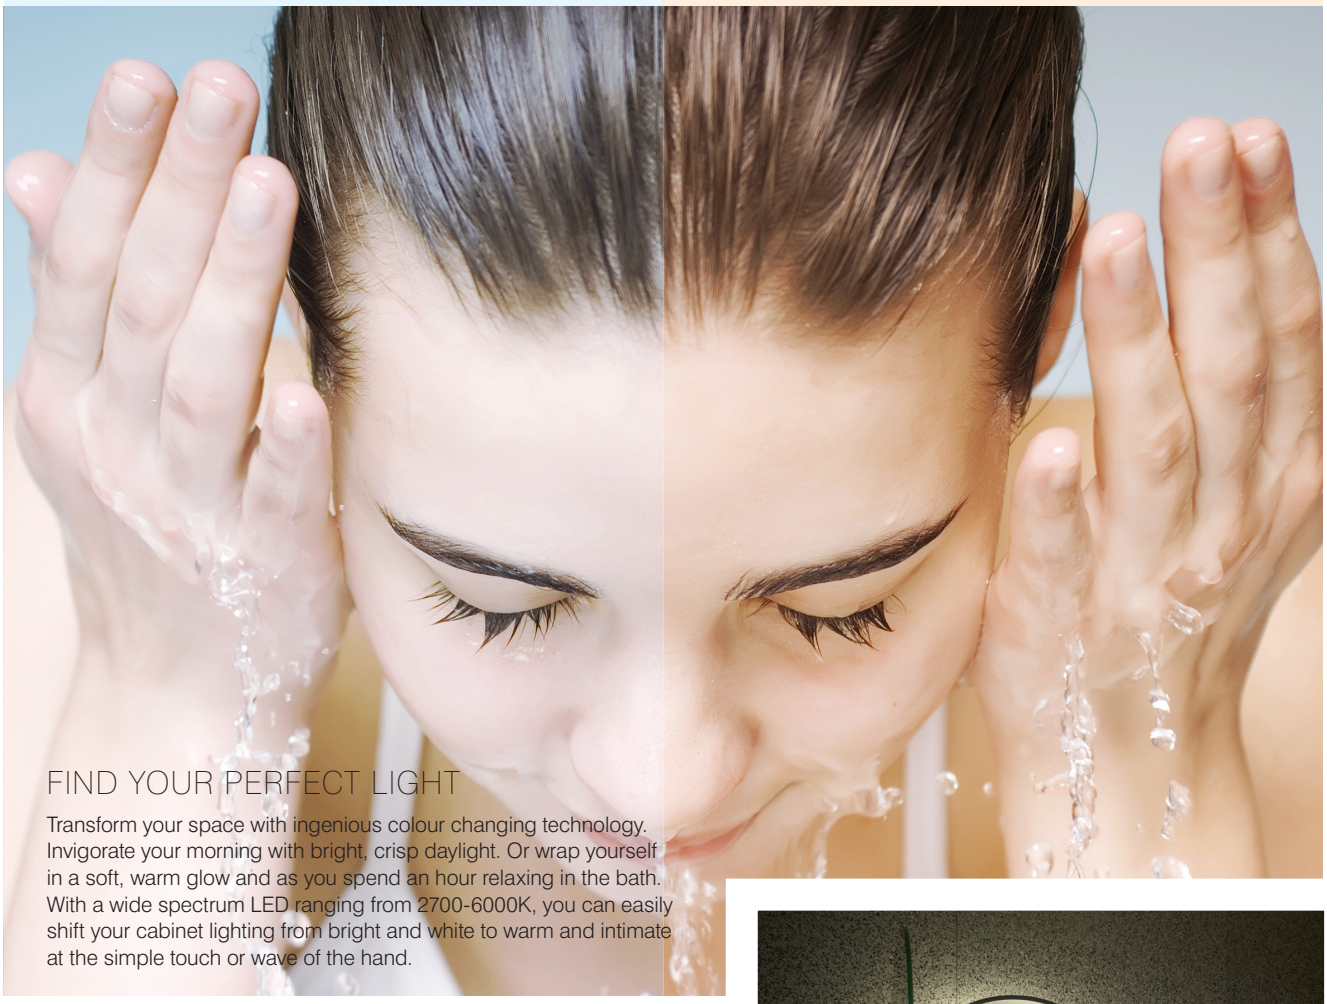

DOORS BUILT TO ENDURE

Our cabinet doors undergo a dynamic load test to ensure the hinges stay strong under real-life use through a 30kg weight being applied for 10 days with the cabinet only passing if it remains attached.

6000K Cool to warm 2700K

FIND YOUR PERFECT LIGHT

Transform your space with ingenious colour changing technology. Invigorate your morning with bright, crisp daylight. Or wrap yourself in a soft, warm glow and as you spend an hour relaxing in the bath. With a wide spectrum LED ranging from 2700-6000K, you can easily shift your cabinet lighting from bright and white to warm and intimate at the simple touch or wave of the hand.

RECESSIBLE DESIGN OPTION

Give your bathroom a modern edge and save space at the same time with one of our stylish recessible cabinets. Opt for the customisable Vault (page 328).

STORAGE SOLUTIONS

Great cabinets are all about great storage. Our cabinets offer a wide range of sizes to suit your space, and stylish internal shelves which are adjustable to help keep all your bits and bobs organised.

Making the perfect choice

ROPER RHODES • 10 • YEAR GUARANTEE

GUARANTEE against manufacturing defects

ROPER RHODES • 2 • YEAR GUARANTEE

GUARANTEE on all electrical components

LED LIGHTING

Energy efficient LEDs provide high quality and bright illumination whilst being 80% more efficient than older incandescent lights

VARIABLE WARM TO COOL LEDs & DIMMABLE

Flexibility to adjust the LED warmth and brightness from an invigorating daylight white (6000K) to a relaxing warm white (2700K)

INFRARED SENSOR

Easy to use, an infrared sensor allows you to control the mirror with just the wave of your hand without touching the cabinet

HEATED DEMISTER

Maintain a steam-free cabinet reflection in the bathroom with an integrated heated demister pad

TWO-PIN CHARGING SOCKET

Conveniently positioned, this charging socket keeps your electric toothbrush or shaver fully charged

USB SOCKET

Easily accessed USB socket keeps your devices fully charged

WIRELESS CHARGING BOOST

Perfect for charging your phone/device when you're busy getting ready

RECESSED OR RECESSIBLE

Recessing the cabinet within the wall is a great way to conceal your bathroom accessories whilst maintaining a clean and clutter free bathroom

SOFT CLOSE DOORS

Most of our cabinets feature soft close doors to ensure quiet and controlled closure

PUSH TO OPEN DOORS

Intuitive push to open mirrored cabinet doors

DOUBLE SIDED MIRROR DOORS

Double sided mirrored glass means the cabinet mirror can be used when open or closed

TOUCH CONTROLS

Touch controls offer easy on/off and feature access right from the mirror

IP44 RATED

Cabinets indicated with this symbol are IP44 rated, making them suitable for use within zone 2 of the bathroom

For further technical information on all Roper Rhodes cabinets, including fitting instructions and after-care documents, please visit our website **roperrhodes.co.uk**

WC SEATS & BATH PANELS

Explore our seats & panels

As one of the UK's leading suppliers, you know you'll be in safe hands with our best-selling range of stylish seats. Designed to perfectly pair comfort and modern ingenuity, our seats offer a variety of useful features as well great guarantees.

Plus, stylish bath panels including a choice of furniture coordinating finishes to create a seamless look.

Discover

ROPER RHODES TOILET SEATS

QUICK RELEASE HINGES

Easy to operate quick release hinges are featured on some toilet seats, allowing the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

Secure-Fix QR

SECURE-FIX QR

Adjustable hinge technology that simplifies the installation of quick release seats and keeps the seat firmly in place.

QUICK RELEASE

Allows the seat to be lifted away easily, leaving clear access to clean otherwise hard to reach surfaces.

TOP FIX HINGES

Some seats feature a special 'top fix' hinge allowing them to be quickly and easily installed on modern WC pans.

ANTI-BACTERIAL PROTECTION

An environmentally friendly built-in additive provides a hygienic finish to a number of our toilet seats and protects against bacteria, fungi and microbes.

SOFT CLOSE HINGES

The hydraulic hinge mechanism ensures controlled and quiet closure of the seat lid and ring. Mechanisms are extensively tested to ensure long life.

EPD Hub

EPD HUB

Roper Rhodes are dedicated to developing products that have consideration to their environmental impact and their full product life cycle. The introduction of 3rd party verified environmental product declarations (EPDs) in accordance with the European standard EN 15804 are now in place.

SEAT HINGE OPTIONS

Optional seat hinge upgrades for the following WC seats:

MOULDED WOOD MDF WC SEATS

Chrome hinges

Brushed brass hinges

Gloss white

Matt mocha

Matt black

Painted wood soft close toilet seat
375(w) x 430mm(d)
Designed to fit on our traditional WCs and complement Hampton furniture. Made with a contoured lid detail and substantial 20mm thick seat ring, our painted seat will also fit most standard shaped WCs. An MDF substrate makes the seats extremely strong with a beautiful painted finish. Featuring non-slip colour coordinated buffers and an extremely hard wearing matt polyurethane painted finish for the best seat in the house.

Secure-Fix QR technology helps keep the seat firmly in place.

01225 303900
sales@roperrhodes.co.uk

Monday to Thursday - 8:00am - 5:30pm
Friday - 8:00am - 5:00pm

GUARANTEES

Many of our products carry lengthy guarantees. Our furniture, showers and taps carry 10 year guarantees. 20 year guarantee on basins and WCs whilst our seats either have a 2 or 10 year guarantee. Our lighting offers 3 years for manufacturing defects and 2 years on consumables like the bulbs and switches. Our mirrors and cabinets carry a 10 year guarantee for all mirror glass, carcasses and doors with all electrical components covered by a 2 year guarantee. Please see individual product sections for details. Guarantees are for domestic use only and are not transferable.

REPLACEMENT PARTS

We carry extensive stocks of replacement parts and are normally able to dispatch spares within 24 hours of your request. Damaged parts will be replaced with a spare part where possible, complete exchanges will only be made where it is not practical to do so.

PRICING

All prices quoted are inclusive of Value Added Tax, which will be charged at the rate applicable on the date your product is dispatched. The prices charged will be those ruling at the date of dispatch and Roper Rhodes cannot be held responsible for any errors or omissions in this brochure.

PRODUCT SPECIFICATION

Roper Rhodes furniture is designed for use within domestic installations which are adequately ventilated and is not suitable for installation in wet rooms. As with any timber product, bathroom furniture will be adversely affected if it is subjected to excessive moisture. It is strongly recommended that adequate bathroom extractor fans are installed to prevent heavy condensation and all splashes and spillages must be mopped dry as soon as possible. All exposed or cut surfaces must be sealed with a suitable varnish or silicone sealant to prevent blowing. If this is not done, all warranty claims will be void. In particular, silicone sealant must be used around basin and worktop joints and around all edges of bath panels and plinths. All electrical products should be installed by an approved electrician in line with current wiring regulations.

Roper Rhodes Ltd reserves the right to amend the specification of its products at any time if an opportunity to improve the product occurs. All dimensions are approximate and are quoted within reasonable tolerances.

The furniture colours shown in this brochure are representative only and can be affected by a multitude of factors such as lighting and surrounding items.

Products with a brass finish may not match exactly due to variations in the brass alloy composition, differences in finishing techniques, natural aging processes causing patina and the lighting they are compared in. Imagery shown in this brochure is representative only.
